The screenshot shows a user interface for profile settings. On the left, there is a vertical sidebar with a dark blue background. It features a circular placeholder for a profile picture at the top. Below it are three menu items: "News Detector" with a document icon, "Profile Settings" with a person icon, and "Logout" with a power-off icon. The main content area has a dark blue background with white text. At the top, it says "Profile Settings". Below that, it shows the current "Username: admin". There are two input fields: one for "New Username" and one for "New Password". Underneath the password field is a file selection button labeled "Browse..." followed by the message "No file selected.". At the bottom is a large blue button with the text "Update Profile" in white.
